## RED ALERT®

### TAMPER EVIDENT REINFORCED WATER-ACTIVATE TAPE

Pre-printed, tamper-resistant Red Alert® is an oversized, reinforced strippable natural kraft colored carton sealing tape manufactured with water-activated adhesive. It features a red colored bottom sheet that leaves behind a telltale red layer when removal is attempted. The oversized width prevents the residual red fibers from being concealed by re-taping with a single strip of normal 3-inch wide tape.

#### FEATURES & BENEFITS

- Bonds with corrugated cartons and offers the most secure adhesive tape closure system available in the market today
- Custom prints available to enhance identification or brand messaging
- Wide range of operating temperatures - will consistently perform between 0°F and 120°F
- Works in a variety of climate conditions including dusty environments
- Hand strippable, no knives or box cutters needed
